

Advice about students aged 16 & 17 at Frances King adult schools

Our year round school in London and summer school in Dublin for adults provide mainly for students over 18. Parents should consider whether their child is mature enough to act responsibly during their stay.

- Students of age 16 and 17 study alongside adult students with minimal or no supervision in break times and outside class times. If closer supervision is required, we recommend our Teenager Programme.
- Students of age 16 and 17 without a guardian in the country must stay with a homestay. We advise students to book full board. They will travel to and from school without supervision. There will be designated times to return to the homestay.
- They must book a return airport transfer unless a guardian (21 years and over) is meeting them at the airport.
- Parents are required to read the detailed **Information for Parents of Students aged 16 & 17**, sign the **Parental Consent Form** and ensure their child reads and understands the **Student Handbook for Under 18 Students** which contains important advice and safety information.

Information for Parents of Students aged 16 & 17 on an Adult Course

Thank you for choosing to book with Frances King. We aim to ensure that your son/daughter has a memorable stay in London/ Dublin.

It is equally important that your son/daughter is safe whilst away from home and Frances King takes its responsibility for these students seriously. Therefore, your acceptance of the guidelines below is required before arrival, and we ask for your understanding and co-operation. We will not confirm a booking until we have received a fully completed **Parental Consent Form**.

AN ADULT ENVIRONMENT

A person under the age of 18 is legally a child in the UK and Ireland. Students aged 16 and 17 study alongside adult students with minimal or no supervision outside class times.

CONTACT DETAILS

Prior to arrival, we will need your son/daughter's contact details in case of any problem. We will also require your contact details in case we need to get in touch with you.

AIRPORT/EUROSTAR TRANSFERS

Students under 18 who are travelling to the UK or Ireland alone must book a return airport transfer to their homestay accommodation or give details of a guardian (aged 21 years old and over) who is meeting them at the airport. If you are making alternative arrangements, please let us know on this form.

All students under 18, **MUST** bring a completed **Parental Travel Consent Form** with them, to avoid possible problems with immigration procedures. This will be sent with the booking confirmation.

ACCOMMODATION IN HOMESTAY

- As a minor, your child cannot stay alone in private accommodation. The school can arrange a homestay, with hosts that welcome students into their home.
- Your son/daughter will travel between the school and the accommodation

unsupervised. The school will advise the best route to/from the school.

- Under-18s are placed in homestays where the main carer and other resident adults have been vetted to ensure their suitability to host young students. Under-18s are treated as members of the family in a caring and helpful atmosphere.
- It is likely that the host has house rules, which will be explained to your son/daughter on arrival. These may include setting times for breakfast and dinner. If your son/daughter is going to be late for meal times they should let the host know and leave a telephone number or address where they can contact them in case of an emergency.
- It is recommended that under-18s book full-board as this will ensure that your son/daughter is provided with breakfast, lunch and dinner every day. Lunch can be purchased from the cafe at school or from cafes/shops near the school if you choose the half-board option. You should ensure that your son/daughter has enough money to pay for these meals. For guidance, £10/€10 a day should be enough for lunch and a drink at school or locally.
- During the week from Sunday to Thursday, your son/daughter is required to be 'home' by 22:00, but on Friday and Saturday they can stay out until 23:00. Please let us know should you want to make these curfew times earlier.
- If your son/daughter wishes to stay overnight with friends or travel, written consent from you is required in advance. We may not allow your son/daughter to go on such trip if we find the plan to be unsafe for a minor.

STAYING IN A NON-FRANCES KING ACCOMMODATION WITH A PARENT/ GUARDIAN

- If you are staying in London or Dublin with your son/daughter in an accommodation arranged by you, we will need to know your address and your contact details. You need to be contactable at any time and must

Information for Parents of Students aged 16 & 17 on an Adult Course

accompany your child on the first day of school to meet the staff.

- If your son/daughter is staying with a family member or family friend (guardian) in an accommodation arranged by you, we will need to know the address and contact details. The guardian needs to be contactable at any time and must accompany your child on the first day of school to meet the staff. We will need to know meal arrangements. We will also need to receive a completed **Consent for Guardianship Form** that will be sent to you.
- It is not possible to rent a house/apartment or book a hotel for an unaccompanied minor.

TRANSPORTATION

You should ensure that your son/daughter has enough money to pay for transportation in and around the city during his/her whole stay. We recommend that your son/daughter go back home with a friend whenever possible and to take a taxi after dusk.

London

A weekly travel card costs £37 (zones 1-2) / £43.50 (zones 1-3) (January 2022 prices). You can find more information on the cost of transportation here: <https://tfl.gov.uk/fares/find-fares>. We recommend that your son/daughter download the following applications to find the easiest way to go around the city:

[Moovit](#)

Dublin

A weekly travel card costs €40 (2022 prices). You can find more information on the cost of transportation here

<https://about.leapcard.ie/leap-visitor-card>

We recommend that your son/daughter download the following applications to find the easiest way to go around the city:

TIMETABLE

The school does not provide full supervision outside class times.

Timetable - Standard Courses: 09:00-12:50, Monday to Friday. There are 2 breaks during each session.

Timetable - Intensive Courses: 09.00-15.00 with 3 short breaks and a 55-minute lunch break.

LUNCH

On all programmes, every 2 weeks a lunch with a group of students and an English speaker is included.

Your son/daughter can buy food at a local supermarket and have lunch in the school (tables/microwave/fridge) or can buy affordable lunches from our Cafe. We also have areas for self-study at the school for homework with computers and books.

ACTIVITY PROGRAMME

We strongly recommend your son/daughter participates in our Activity Programme as much as possible.

- There are several activities per week, led by teachers or other members of staff. These include trips to museums, exhibitions and places of interest. Students are encouraged to participate in the activities as it gives them an opportunity to speak English in the 'real world', make friends and see more of London or Dublin.
- Activity leaders will pay special attention to younger students and make sure they know the best way to get home safely, but students will travel back home unsupervised. We strongly advise all students under 18 to return to their host family with a friend and preferably by taxi when it is dark.
- Activities not suitable for under 18s are clearly shown on the Activity Programme. Some activities have a cost not included in the price of the course (e.g. entry tickets from £10-35/€10-35; meal at a restaurant £10-30/€10-30).

- In the summer months when there are more 16 and 17 year olds in the school there may also be activities exclusively for under 18s.

Consent to supervised educational trips

During lesson time, we may take your son/daughter off school premises on supervised educational activities, which have been carefully planned and risk-assessed. In the Parental Consent form you have the option to consent or not to such activities. If we do not have your consent, your son/daughter will stay at the school under our supervision while the class goes out.

Excursions within the UK/Ireland

The school can arrange day trips to places of interest organised by an external company. The school will need a written parental permission for each trip before such booking can be made.

Excursions outside the UK/Ireland

Excursions outside the country are not permitted.

SCHOOL RULES AND LAWS

Please ensure your child understands Frances King school rules and the laws of the UK and Ireland outlined below.

Attendance

The school has a strict attendance policy. Students should attend all classes. In case your son/daughter is unwell and cannot come to school or if your child is running late (i.e. over 15 minutes), the school must be informed as soon as possible:

London – by phone: +44 (0) 7570 695082 or email: london@francesking.com

Dublin – by phone: +353 (0) 8347 05869 or email: dublin@francesking.com

- to watch the school's induction presentation or read the leaflet to hear about school services and health and safety issues
- to inform the school office of any change of address or contact details

- to avoid behaviour or language that may cause offence
- to be polite and respectful when speaking to other students, our staff and accommodation providers
- to understand that bullying or harassment will not be tolerated online or in person
- to respect the core British Values of Democracy, the Rule of Law, Individual Liberty, and Respect for other people's different faiths and beliefs
- to obey any dress code you are given, which includes wearing a school lanyard while on school premises

Students should never:

- Smoke, drink, use drugs, steal or shoplift

- Use their mobile phone or any handheld equipment during lessons or activities
- Break any law
- Eat chewing gum in class

Bad behaviour

Frances King reserves the right to cancel a student's course and accommodation in the event of misconduct or unsatisfactory behaviour (e.g. possession/consumption of drugs/alcohol, breaking of the school rules, violent/disrespectful behaviour towards staff,

host or other students, repeated absence from classes, intentional damage to the school or host property etc).

Parents will be responsible for all costs arising, including your son/daughter's return or onward journey and the associated cost.

Discipline Procedure

Step 1. Warning, member of staff will talk to a student about his/her behaviour and remind him/her of the school's expectations.

Step 2. If the behaviour continues, a welfare officer will talk to him/her about the behaviour and the possible consequences to follow.

Step 3. If the behaviour continues or escalates parents or guardian will be informed.

Step 4. If the behaviour escalates further or becomes dangerous then parents will be contacted, and they will need to make arrangements to transport the student back home.

In situations of sufficient gravity (e.g. breaking a law or a behaviour which puts students at risk) steps 1-3 will be skipped.

Laws affecting students under 18

Smoking: the minimum age to buy cigarettes, tobacco or e-cigarettes is 18 years old. Smoking is banned in all public buildings in Britain and Ireland including bars, restaurants, shops, stations, cinemas and on all public transport. It is illegal to buy cigarettes for a minor.

Drinking: the minimum age to drink alcohol in pubs, bars, restaurants and nightclubs is 18 years old.

Drugs: as in most European countries, the UK and Ireland have strict laws against the use of illegal drugs and punishments can be very heavy. Minors must not use illegal drugs during their stay.

Shoplifting: shoplifting is illegal and people who are caught stealing from shops will probably have to go to court.

Weapons: it is illegal to carry any weapon for defence including gas and sprays. People will

be arrested if the police stop them carrying a knife for example.

Sexual activity: the age of consent for sexual activity is 16 years old.

DEALING WITH AND RESOLVING PROBLEMS

If a host/staff reports any behavioural concerns, a member of the Welfare Team will speak to your son/daughter directly. If problems escalate the school may contact you to discuss. Given the concerns raised, the school reserves the right to take disciplinary action which may include removing him/her from the accommodation or from the school.

If your son/daughter has any concerns regarding their accommodation, a member of the Student Services Team will provide assistance.

WELFARE AND EMERGENCIES

Any medical/psychological conditions should be made known to the school at the time of booking. We need to know to give your son/daughter the best support at Frances King. We reserve the right to refuse bookings if we do not feel that we can safely accept students who have needs we are not sufficiently trained or equipped to manage safely. Any medicine brought to the UK should be clearly labelled and accompanied by letter from a doctor in English.

One of the Welfare team will meet your son/daughter during their first week at school to check they are happy in their class and they don't have any other problems.

Please ensure your son/daughter has the school's emergency number with them at all times (and stored in their phone): London +44 (0)7768 325 391, Dublin +353 (0) 8347 05869

Please make sure that your son/daughter knows that the emergency number for fire, ambulance and the police in the UK is 999 and in Ireland is 999/112.
