## Meals

Evening meals will normally be eaten with everyone in the household, although you may have to help yourself to breakfast. A supplement of £41.00/week will be charged for gluten-free or other diets that require specialist food items to be purchased.

## Cleaning, Linen & Laundry

Towels and bedding are provided and are laundered once a week. Bedrooms will also be cleaned once a week, but students must keep them tidy. Hosts will do a small amount of washing per week or will allow access to laundry facilities.

## Smoking

Smoking is only allowed outside and never inside the home. Please always let us know if you smoke, before arrival in London.

## Guests

Students must always ask their host if they want to invite friends.

To leave your luggage during your holidays, you must pay £50.00/week. This fee is charged per student. *In homestay accommodation, you can enjoy the comforts of a private home and immerse yourself in English life and culture. It is also the most cost-effective way of staying in London, with home cooking, pleasant conversation and comfortable surroundings.*

*We offer a variety of homestays which may not always consist of a "traditional" family, i.e. mother, father and children, therefore you may find your host is a single person, a single parent with children or a retired couple. These types of hosts are equally as good, and can provide excellent hospitality to students.*

*In London, some homestay providers may not be of English origin but all speak English to native speaker standard and English will be the language spoken in the homestay. The UK has a rich history and is very proud of its cultural diversity. Our London homestay providers are a reflection of our society and may come from different backgrounds, age groups and socio-economic groups.*
